

LGI Industrial & Construction Supplies™ is pleased to announce tremendous success in Edmonton store.

LGI Franchise Services a division of LGI Industrial & Construction Supplies™ is pleased to announce that the April opening of the Edmonton location has been a tremendous success. This new franchise location has seen incredible growth and solid sales for the first few months, far exceeding expectations.

The management and sales team in the Edmonton location have significant experience in the region and are providing un-surpassed service and superior products. LGI's hands-on approach is a significant factor in the success of this operation.

“Our approach to “Customer First” personal service is unique within our industry and is what separates LGI from other suppliers. It is our goal to always provide a superior product and un-match services to our valued clients”: Greg Porter.

Store Owners: Colin & Marc

Plenty of in-store Stock

Ready for Delivery

LGI Industrial & Construction Supplies™ provides product support and service solutions for manufacturers, commercial and residential construction companies, maintenance and repair operators, government, and the military.

With almost 20 years of corporate experience and through the growth of its franchise program, it is LGI's mission to be the world's recognized leading supplier of these goods and services by consistently providing honest value, professional support and local personalized service.
