LGI® Industrial & Construction Supplies is proud to announce our

Red Deer, AB, Location Opening

Maple Ridge, BC. July 11, 2014. LGI® Industrial & Construction Supplies announced today the continued growth and success of their franchise program with the latest location in Red Deer, Alberta.

Primarily serving the Manufacturing, Metal Fabrication, Drilling Equipment, Oil & Gas, and Construction industries, Red Deer will serve as a central hub for LGI's® growth in Alberta. With a current population of nearly 98'000, Red Deer can expect to grow to 128'420 in the next 10 years and 175'000 by 2041

Paul Lantz & the Red Deer sales team are confident that one of the keys to their success will be "*superior personalized service*" and a "*do what we say we're going to do approach*". Other important factors to success will be "the wide selection of competitive brand name products available through the LGI® network, and the support of the LGI® Franchise Services Team"

LGI® Red Deer has taken possession of their new store in the north part of Red Deer, and is currently up and running with product sales. Paul plans on a soft opening of the staffed showroom on August 4th, 2014 with a Grand Opening date to be announced for early September.
