LGI® Industrial & Construction Supplies is proud to announce

# Industrial & Construction Supplies Market Growth Exceeds Expectations

Maple Ridge, BC. August 6, 2014.

**LGI® Industrial & Construction Supplies** released its company's strategic growth plan this week highlighting both past accomplishments and aggressive growth planning for the upcoming year.

### Highlights of the past 13 months included:

- ✓ 4 new stores opened across Canada from B.C. to Newfoundland
- ✓ Signing of a new Regional Director to accommodate the significant Industrial Supply market in Alberta
- ✓ The Launch of a new on-line storefront
- ✓ On-going 97% fill rate, 250,000sku's & 48hr delivery

***With the opening of the Newfoundland Labrador location, LGI® is now the only industrial supply franchise Coast to Coast.***

Mr. Greg Porter, President and founder of LGI® notes: *"while we have seen tremendous response to our franchise initiative, and I am very happy with the past years activities, there is still a great deal to accomplish. I am very proud of what our corporate team has been able to achieve and I look forward to the growth of our franchise team in the years to come."*

*The industrial supply market in Canada is a \$19 Billion dollar industry and we have a target of 5% or more (about \$400 million), about 120 locations, in the next 15 years."*

From its' inception LGI® Industrial & Construction Supplies has provided a higher level of personal, knowledgeable service, supplying high quality brand names and private label products to the industrial & construction supply market.

## About LGI®

LGI® Industrial & Construction Supplies is a world class one-stop network of corporate and franchise operated stores that provide product support and service solutions for many types of industries including:

- Manufacturing,

**The success of the LGI® Franchise Services Inc.,** is in part due to the personal service provided by our personnel, a high level of training, support and the quality items LGI® supplies. Other important factors include the strong Canadian economy and the growth of the Oil & Gas sector in Western Canada.

*"The appointment of Mr. Paul Lantz as Regional Director in Alberta, is a key component to growth in the Alberta market where we are expecting several new locations to open very soon."* Notes Mr. Porter.

*"We are also opening our first Mobile Franchise this coming year (2015) taking the industrial supply market to a new level of personalized customer service which includes on-site supply and delivery."*

Innovation, superior products and exceptional customer service are key in the success of LGI® and over the next decade the growth of the company through its franchise program will ensure LGI® remains a leader in the industry.

The industrial & construction supply industry in Canada is a \$19 Billion dollar industry

LGI® people pride themselves on standing apart from the competition. *"We want our customers to feel wowed by their experience with us, both at the first point of contact, and for many years to come."*
